12th National Conference on Health Disparities

Reducing Health Disparities Through Sustaining and Strengthening Healthy Communities

OAKLAND

OAKLAND MARRIOTT CITY CENTER

June 19-22, 2019

Register today at nationalhealthdisparities.com

FROM THE CHAIRMAN

The 12th National Conference on Health Disparities builds on momentum generated in previous NCHDs by presenting the most current information on national issues. Topics include social and environmental determinants of health-housing, access to healthcare, air and water quality, income and education. Additional topics include behavioral health, substance abuse, sex trafficking, gun violence, health technology and the impacts of climate change on human health.

Dr. David E. Rivers
Professor; Director of Public Information and Community Outreach
Department, Medical University of South Carolina
